

Florida Tweener 2008

Saturday June 7th and Sunday June 8th at the Orange County Convention Center in Orlando, FL

Brought to you by:

Microsoft

DevFish.net ><<<<(o>

So what is it? Basically, the Florida User Group Communities were asked what would do with the Orange County Convention Center in Orlando for a weekend? What they came up with was a **FREE weekend** with loads of great content. Get all the latest information and registration at

<http://www.FloridaTweener.com>

Saturday June 7th Activities: 8:30 AM to 5:30 PM

- SQL Saturday** Best of the SQLSaturday events with some special product team reps attending. Track Leads : Andy Warren, Pam Shaw, Wes Dumey
- OpenSpace** Four corners of a room with whiteboards. Sign up for a 30 minute talk on whatever topic you want. Track Leads: Nikita Polyakov, Jeff Barnes
- RoboChamp** More info coming soon
- Agile Camp** Got a passion for Agile? Jim Zimmerman and Chris Chandler have put together a full day of agile topics ready to go
- .NET CodeCamp** Some local speakers, some speakers we shanghai'd from the regular TechEd. Including members of the product teams. Its definitely going to be interesting. Track Leads: Dave Noderer, Shervin Shakibi, Shawn Weisfeld
- ITProCamp** A first for the state, the very first IT Pro Camp. Track Lead: Santos Martinez

Party & Social! Saturday June 7th 6:00 PM to 9:00 PM

Sunday June 8th Activities

- SQL University** Andy's putting together some of his very best training on SQL Server to get you up to speed quick
- DotNetNuke University** Brian's hustled up the very best DotNetNuke speakers he could get for a full day of exciting DNN action
- OpenSpace** Four corners of a room with whiteboards. Sign up for a 30 minute talk on whatever topic you want. Track Leads: Nikita Polyakov, Jeff Barnes
- Toolshed** Russ Fustino and Stan Schultes come together with encores of "Its all about the Tools" episodes 1 and 2, plus all new episodes 3 and 4
- OCS University** OCS MVP Keith Kabza will get you up and running on OCS in a day. Well, most of the way there anyway.
- .NET University** Doug Turnure's flagship series of structured courses geared to bring you up to speed on a particular topics including Sharepoint, .NET 3.5, and BizTalk
- VSTS University** Doug Seven and the Redmond guys hang around to teach you VSTS. Learn from the VSTS team themselves!
